Dear Ms. Perry and Ms. Marquez:

Thank you for the opportunity to speak at today's meeting on the Citywide Economic Development Plan RFP. Attached is the document we submitted in person. I have also attached the handout from our most recent **Innovate DTLA** workshop, which gives a good overview of Innovation Districts and our initiative. More information is also available at www.downtownla.com/innovatedtla.

We would welcome an opportunity to meet with your group to discuss our work in more detail. Nick Griffin, our Director of Economic Development, is on vacation this week, but we will discuss on Monday and follow up to schedule.

Regards,

Elan Shore
Associate Director, Research & Special Projects
